

# How to use the Pocket Patient App for your telehealth visit

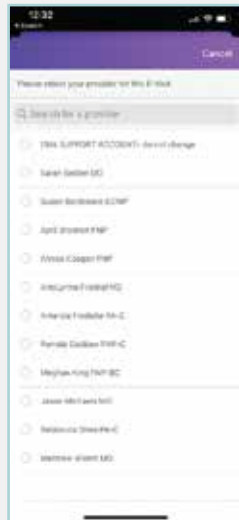

**1** Upon scheduling your appointment, our staff will ask for a valid email address. You will receive a link in that email to download the Pocket Patient app from the app store.

**2** Once downloaded, enter the URL: [aspire.ema.md](https://aspire.ema.md)

**3** Log in with your patient portal username and password provided to you by our staff.

**4** Click on VIRTUAL in the menu bar and REQUEST VIRTUAL CHECK IN.

**5** Select the provider that your appointment is scheduled with.

**6** You will be asked to agree to the terms and conditions of the application.

**7** Select your reason for visit.

**8** Select the body location affected.

**9** You will be prompted to take some photos of the area, up close and far away.

*Note: You can either take new photos by clicking on the camera icon, or choose a photo from your camera gallery*

**10** You will then be prompted through some medical questions to review your symptoms, medications tried, etc.

**11** Submit case once finished.

**12** Once your provider reviews your case, they will call you via telephone to initiate the telehealth visit.

Jason Michaels  
MD, FAAD, Mohs Surgeon

### Dr. Jason Michaels

Jason Michaels, M.D. is the founder of Aspire Dermatology. He has over two decades of experience as a Mohs surgeon and a board-certified dermatologist.

Dr. Michaels is a firm believer in the value of continuing education and mastering the best practices and procedures. He received his undergraduate degree from the University of Nevada, Reno and his medical degree from the University of Nevada School of Medicine. He completed his internal medicine internship at Brown University and his dermatology residency at Texas Tech University. He later obtained his Masters of Business Administration at the University of Nevada, Las Vegas.
